

Aggregates

Stone Type	Usage	Max Nominal Size	Density (T/m ³) Loose	Density (T/m ³) Compact
Face Rock	Bulk filling to make up levels over low lying ground	500mm	1.8	1.4
Rock Fill	Bulk filling to make up levels over low lying ground	300mm	1.8	1.4
Road Fill	Site and fill material, road construction, general civic works	180mm	1.8	1.4
6" Clean	Drainage, site and fill material, road construction, general civic works	150mm	1.8	1.4
6" Down	Site and fill material, road construction, general civic works	150mm	1.8	1.4
3" Clean	Drainage, site and fill material, road construction, general civic works	75mm	1.8	1.4
3" Down	Site and fill material, road construction, general civic works	75mm	1.8	1.4
2" Clean	Drainage and general agri works	50mm	1.8	1.4
1.5" Clean	Drainage and general agri works	35mm	1.8	1.4
804 NRA Spec	General application for road construction. Base filling, underlaying for asphalt/tarmac	37.5mm	1.8	1.4
Clause 505	Filter and drainage material. Backfilling for trenches, French and filter drains	63mm	1.8	1.4
Clause 503	Bedding laying and surrounding of pipes	20mm	1.8	1.4
20mm Washed Chip	Used for concrete and asphalt manufacturing	20mm	1.8	1.4
14mm Washed Chip	Used for concrete and asphalt manufacturing. Surface dressing chips	14mm	1.8	1.4
10mm Washed Chip	Used for concrete and asphalt manufacturing. Surface dressing chips	10mm	1.8	1.4
8mm Pipe Bedding Grit	Bedding laying and surrounding of pipes	8mm	1.8	1.4
10mm Dust	Levelling and blinding coarse material	10mm	1.8	1.4
5mm Dust	Levelling and blinding coarse material	5mm	1.8	1.4
1.5" Screenings	Site material, road construction, general civic works	37.5mm	1.8	1.4
3/4" Screenings	Site material, road construction, general civic works	19mm	1.8	1.4
Concrete Gravel	DIY pre-mix concrete aggregates for small concrete quantities	20mm	1.8	1.4
